# CENTRAL LOS ANGELES SUBREGION

The state is investing approximately \$1 billion per year in new transportation funding in LA County from the gas taxes and fees authorized by Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017. Assuming this funding stays in place, this money will help to build transportation projects in LA County over the next 10 years.

### WHY WOULD THE FUNDING GO AWAY?

- > Proposition 6 on the November 2018 General Election ballot would eliminate these recently enacted gas taxes and fees that are the source of SB 1 transportation funding, if passed by voters.
