

TRANSPORTATION PROJECTS UNDERWAY IN THE CENTRAL COAST REGION

39 PROJECTS FILLING POTHoles AND REPAVING CRUMBLING ROADS

31 PROJECTS IMPROVING THE SAFETY OF LOCAL ROADS AND BRIDGES

10 TRAFFIC CONGESTION RELIEF PROJECTS

14 SAFETY IMPROVEMENT PROJECTS FOR PEDESTRIANS AND BICYCLISTS

SB1 FUNDING FOR OUR CITIES AND COUNTIES: 10-YEAR TOTAL

San Luis Obispo County

\$155 MILLION

Santa Barbara County

\$201 MILLION

TOTAL

\$356 MILLION

FILLING POTHoles AND REPAVING ROADS

- Pavement preservation project on **24 miles** on **SR 135** from **Lakeview Road** to **US 101 Junction** near the city of **Santa Maria**
- Pavement improvements on **13 miles** on **SR 1** from Garcia Way to North Pismo
- Resurface and rehabilitate **35 miles** of roadway throughout **Santa Barbara County**
- Resurface more than **8 miles** of **US 101** between **Templeton** and **El Paso De Robles**
- Pavement preservation project on **9 miles** on **SR 246** from west of V Street to H Street and **SR 1** from H Street to 12th Street in **Santa Barbara County**
- Resurface nearly **5 miles** of **SR 41** and **El Camino Real** in **Atascadero**
- Resurface **Main Street**, **O'Donovan Road** and **Bennett Way** in **San Luis Obispo County**

ROAD SAFETY

- **Upgrade guardrails, improve 43 miles** and **add rumble strips** on **SR 1** from the **Las Cruces Interchange** (US 101 Separation) to the south **SR 246 Junction** in the **City of Lompoc**
- **Widen shoulders, upgrade guardrails** and **pavement improvements** on nearly **28 miles** on **US 101** from south of the Gaviota Gorge Tunnel to north of Nojoqui Creek Bridge in **Santa Barbara County**
- **Intersection improvements** on Santa Monica Road and Via Real in **Santa Barbara County**
- Install street lights, resurface road, restripe bike lane and drainage improvements on **Sherwood Road** in **El Paso De Robles**
- **Roadway striping** and **improve visibility** of street signs throughout the **City of Lompoc**
- Construct a **grade separated interchange** at the **SR 46** and **SR 41** junction in east **San Luis Obispo County**

BRIDGES

- Replace the **San Jose Creek Bridges** on **US 101** in the **City of Goleta**
- Revamp **two bridges** on **US 101** in **Santa Barbara County**
- Repair **bridges** and **upgrade bridge railing** on the **La Colina Road Undercrossing** and the **Primavera Road Undercrossing** on **SR 154** in the **City of Santa Barbara**

Examples of Projects Underway in the Central Coast Region

TRAFFIC CONGESTION RELIEF

- Construct **15 miles** of **HOV lanes** on **US 101** between the cities of **Carpinteria** and community of **Montecito**
- Replace **traffic monitoring elements** along **US 101** north of **SR 150** to north of **Cathedral Oaks Road** in **Santa Barbara County**
- Replace **traffic monitoring elements** on **US 101** from north of **Santa Maria Way** in **Santa Barbara County** to the **Santa Barbara/San Luis Obispo County line**
- Replace **traffic monitoring elements** on **US 101** from north of **East Grand Avenue** to **Dinosaur Caves Park** in **San Luis Obispo County**
- Intersection improvements to alleviate traffic congestion on **Santa Monica Road, Via Real** and **Santa Monica north bound** on and off ramp from **US 101**

PEDESTRIAN SAFETY

- **Sidewalk improvements** in **Paso Robles, Pismo Beach, Guadalupe** to increase pedestrian safety
- **Sidewalk improvements** on **Wilmar Avenue** and **Paso Robles Street** near **Oceano Elementary School** in **San Luis Obispo County**
- **Safe pedestrian routes** to schools in **Oceano, Santa Barbara, and San Luis Obispo**
- Construct **nearly 3 miles** of pedestrian and bike path along **Las Positas** and **Modoc Roads** in **Santa Barbara County**
- Construct a **bicycle and pedestrian link** between the communities of **Templeton** and **Atascadero**

PUBLIC TRANSPORTATION

- **Increase Pacific Surfliner service** to **Santa Barbara** from 5 to 6 round trips and to **San Luis Obispo** from 2 to 3 round trips with improved travel time, reliability and safety for both **Metrolink** and the Pacific Surfliner in the Los Angeles to **San Luis Obispo corridor**
- **Construct Goleta Train Depot**, a multi-modal transit facility with improved bus transit service and shuttles from Santa Barbara Airport and the University of California Santa Barbara
- **Improvements for commuters** between **Ventura** and **Santa Barbara counties** with improved bus services allowing for seamless use of both rail and transit to commute to employment centers in **Goleta** from **Oxnard** and **Ventura** with **5 zero-emission buses** resulting in a travel time reduction of 45 minutes while providing a service extension to **Oxnard**
- Replace **14 buses** for the **Santa Barbara Metropolitan Transit District**
- **5 replacement buses** for **City of Lompoc Transit system**
- Bus replacement for **Morro Bay Transit**
- Replace **electric trolley** for **San Luis Obispo Transit**
- Replace **2 buses** for **Santa Maria Area Transit (SMAT)**
- **Construct** a rail layover facility to support **increased rail frequency** to San Jose/Bay Area from **San Luis Obispo**
- Replace a bus for the **City of Guadalupe**
- Construct new **Bus Maintenance Facility** for **San Luis Obispo Regional Transit Authority**

This is a partial list of projects.
